FA Sib FA Sib FA

When, when we came home worn to the bones

DO REm

I told myself: This could get rough

FA Sib FA Sib FA

And when, when I was off, which happened a lot

DO REm

You came to me and said: That’s enough.

–

Sib REm

Oh, I know that this love is pain

Sib DO

But we can’t cut it from out these veins, no.

–

REm Sib FA

So I’ll hit the lights and you lock the doors

REm Sib FA

We ain’t leaving this room ‘til we breake ‘em all

REm Sib FA

Don’t walk away, don’t roll your eyes

REm Sib FA

They say love is pain, well, darling, let’s hurt tonight

Sib FA Sib FA Sib

Ah-ooh-ooh, ah-ooh-ooh.

–

FA Sib FA Sib FA

When, when you came home worn to the bones

DO REm

I told myself: This could be rough.

–

Sib REm

Oh, I know you’re feeling insane

Sib DO

Tell me something that I can explain, oh.
