

Life In Color
OneRepublic

[Intro]

E A C#m G#m A

[Verse 1]

E
I do my best to find some kind of glow
A C#m
I m givin it some heart and soul, now
G#m A
From the darkest grays, the sun bursts, clouds break
E
Yeah, we see that fire
A
From the streets of Babylon
C#m G#m
To the road that we ve been on long
A
The kaleidoscope claims another

[Chorus]

E
Whoa oh-oh oh This is life in color
A C#m
Today feels like no other
G#m A
From the darkest grays, the sun bursts, clouds break
E
Whoa oh-oh oh This is life in motion
A C#m G#m
And just when I couldn t run this race anymore
A
The sun bursts, clouds break
This is life in color

[Verse 2]

E
You ve seen my worst, yet you see some hope in me
A C#m G#m
The black and white sets us free like the queen to the rook
A
Your decision was a sure thing honey yeah, a sure thing
E A
No wonder I feel like I m missing a heavy load
C#m G#m
But no matter what daylight brings to us
A
We all know

[Chorus] x2

E

Whoa oh-oh oh This is life in color

A **C#m**

Today feels like no other

G#m **A**

From the darkest grays, the sun bursts, clouds break

E

Whoa oh-oh oh This is life in motion

A **C#m** **G#m**

And just when I couldn't run this race anymore

A

The sun bursts, clouds break

This is life in color
