

Lullaby

OneRepublic

Verse 1

A **E**
Days feel harder, night grows longer
Bm **A**
Summer says it s goodbyes
A **E**
Darknes covers, we find shelter
Bm **A**
Our own place to hide

Chours 1

D **A**
Oh, as the light goes out
Bm **A**
Thoughts turn to angels, over us
D **A**
Oh, as the night comes in
A **Bm** **A**
Dreams start their drifting, and you hear; a lullaby

Verse 2

Trees touch windows, say their hellos
Hear this house as it settles in
Worry slips away, it don t know your name
It don t know where to find us

Chours 2

Oh, as the light goes out
Thoughts turn to angles, all around us
Oh, as the night comes in
Dreams start their drifting, and we hear; a lullaby

End with

A
...**A** lullaby
