i couldn't find these chords or tabs anywhere so i figured them out myself.
so comment. i don't know the bridge though. im sorry about that. but maybe u can
figure
out urself? sorry. and

Intro x2 **D Dsus**

D Dsus
We say good-bye

I turn my back
D
Run away, run away

Dsus
So predictable

D
Not far from here

Dsus
You see me crack
D
Like a bone, like a bone

Dsus
I'm so breakable

D Dsus D G Bm
And I take everything from you

D Dsus D G
But you'll take anything

Bm
Won't you?

D G
Run away, run away

Like a prodigal
Bm
Don't you wait for me

G
Don't you wait for me

D G
So ashamed, so ashamed

But I need you so
Bm
And you wait for me

G
And you wait for me

(same as 1st)
I m on the road
To who knows where?
Look ahead, not behind
I keep saying
There s no place to go
Where you re not there
On your rope, I hold tight
But it s freeing
And I take everything from you
But you ll take anything
Won t you?

D **G**
Run away, run away

Like a prodigal

Bm
Don t you wait for me

G
Don t you wait for me

D **G**
So ashamed, so ashamed

But I need you so

Bm
And you wait for me

G
And you wait for me

Everybody wants to be right
But only if it s not day light?
I keep trying to find my way back
My way back

D **G**
Run away, run away

Like a prodigal

Bm
Don t you wait for me

G
Don t you wait for me

D **G**
So ashamed, so ashamed

But I need you so

Bm
And you wait for me

G
And you wait for me

D

Runaway

G

Runaway

Runaway

Bm

From you

G

From you

From you
