[Verse 1]

I had a dream the other night **G**
About how we only get one life **Em**
Woke me up right after two **C**
Stayed awake and stared at you **D**
So I wouldn't lose my mind **G**
And I had the week that came from hell **G**
And yes I know that you can tell **Em**
But you're like the net under the ledge **C**
But I go flying off the edge **D**
You go flying off as well **G**

[Pre-Chorus]

And if you only die once I wanna die with **C D**

[Chorus]

You got something I need **G**
In this world full of people there's one killing need **Em**
And if we only die once I wanna die with you **C D G**
You got something I need **G**
In this world full of people there's one killing need **Em**
And if we only die once I wanna die with you **C D C**
