Pre chorus

and now all my hope is gone,

Chorus

**Cm**  
I am on course,  
**G# Fm Cm**  
straight back to you,  
**G# Fm Cm**  
the storm drives me over the sea,  
**G# Fm Cm**  
away from here,  
**G# Fm Cm**  
I m drifting away  
**Cm**  
back on course  
**G# Fm Cm**  
straight back to you,  
**G# Fm Cm**  
the storm drives me over the sea,  
**G# Fm Cm**  
away from here,  
**G# Fm Cm**  
i search for your tracks in the snow,
