

[F] [C]
Caution is a word that I can't understand.

(Verse):

[G] [F] [C]
C A U T I O N, was a word I could not understand.
[G] [F] [C]
Walked the dog with a real short leash, turned around saw
[G]
the dog walk me. Stainless steel and painted glass give me
[F] [C] [G]
pulse like a hammer and a mind to match. No relief, no food,
[F] [C]
no sleep, when you're king for a day you're a whore for a

week. (Riff:) E-----|
B-----|
G-7-5-7-5-----|
D-----8-5-8-5-|

Then repeat chorus, with this riff:

E-----|
B-----|
G-----7-7-5-----|
D-8-5-8-----8-5-|

Next, play verse again, with the same riff as the last chorus. Play chorus again after that, with the original riff. Then,

Bridge:

[Bb][C][F] [C][Bb][F]
I didn't get it then. I think I got it
[Bb][C][F] [C]
now. Caution my friend, don't step in the water
[Bb] [F]
till you know you can swim.

Then repeat chorus, with palm muting after the G, and that's it! Let me know if there's a better way to play this song, or if you have any comments, questions, etc
