A E D or D

A E
i start it, i end it,
D
i kill and words will defend it.

A E
got big plans, blood stained hands.
D

wanna put my name on the map.

A E D
on my way to save the world.

A E
got a brand new set of words, the going rate is cheap,

A E
unconditional devotion, unquestioning belief.

A E
words carved in stone, chiseled in with sharpened bones
of the ones who thought my righteousness was something
to oppose.

missionary!!!

can you see the flag? rising up beyond the smoke
of dying authors burning books, there was a problem with
what they wrote.

the flag is hard to read because all flags start to look the
same when covered with the blood of the faithless and insane.

man of many names, but the motives stay the same...

my actions are a means to an end

my actions are a means to...
