

Ending Credits

Opeth

Since there are so many tabs on how to play the solo here is the chords as I hear
you are welcome to correct them.

[Intro/Verse]

Em - Am - Dbdim - Em (repeat)

[Chorus]

C - Bm - Em - C - Am - Em

Bm7 - Em

Then just use your ears to listen where to place the chords. Hope it was helpful. It s
fun to jam on.
