### Opeth

That s the closest I could get, if you have any suggestions feel free to comment.  
Enjoy!

Intro:

-----6-----6-----5-----5-----5---	-----5-----5-----3-----3-----3---	
---3---3-----3-----3-----3-----3-	---2---2-----2-----2-----2-----2-	
-0-----0-----0-----0-----0-----0-----	-0-----0-----0-----0-----0-----0-----	
-----	-----	x 2
-----	-----	
-----	-----	

--Start singing the lyrics while playing the above. Play it once per verse like:

-----6-----6-----5-----5-----5---	-----5-----5-----3-----3-----3---	
---3---3-----3-----3-----3-----3-	---2---2-----2-----2-----2-----2-	
-0-----0-----0-----0-----0-----0-----	-0-----0-----0-----0-----0-----0-----	
-----	-----	
-----	-----	
-----	-----	

          There s   ...       nobody       here,

there s nobody near  
I try not to care,  
dead eyes always stare

-Repeat intro x2 - no voice

Let these matters be, (don t trust what you see)  
Take hold of your time, (step into the line)

Chorus

**Em**                               **D**                               **A**   **C**  
There s innocence torn from its maker

**Em**                               **D**                               **A**   **C**  
And stillborn, the trust in you

**Em**                               **D**                               **A**   **C**  
This failure has made the creator

<b>Em</b>	<b>D</b>	<b>A</b>	<b>C</b>
So would you tell him what to do (would you..)			

-Repeat intro x2 and go again like on the first part..

Leave your mark upon, the head of someone  
Who ll cry for his state, we know it s too late  
I turn round to see, what was meant to be  
Faint movement release, to rid the disease

## Chorus

Em D A C  
There s innocence torn from its maker

Em	D	A	C	Em
And stillborn, the trust in you (I have lost all trust I had in you)				

Em	D	A	C
This failure has made the creator			

**Em**                      **D**                  **A**                  **C**

So would you tell him what to do

Outro:

Em - D - A - C

Em - D - A C Em  
(I have lost all trust I had in you..)

-END
