To Rid The Disease Opeth

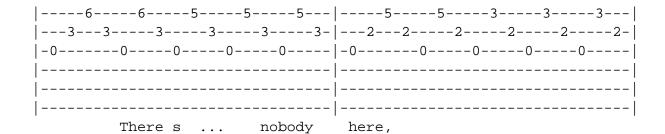

That s the closest I could get, if you have any suggestions feel free to comment.

Enjoy!

Intro:

63	
33333- 2222-	
-000 -00	
x	2

--Start singing the lyrics while playing the above. Play it once per verse like:

there s nobody near I try not to care, dead eyes always stare

-Repeat intro x2 - no voice

Let these matters be, (don t trust what you see) Take hold of your time, (step into the line)

Chorus

There s innocence torn from its maker

And stillborn, the trust in you

Em D A C

This failure has made the creator

Em D C

So would you tell him what to do (would you..)

-Repeat intro x2 and go again like on the first part..

Leave your mark upon, the head of someone Who ll cry for his state, we know it s too late I turn round to see, what was meant to be Faint movement release, to rid the disease

Chorus

Em D A C

There s innocence torn from its maker

D Em Α C $\mathbf{E}\mathbf{m}$

And stillborn, the trust in you (I have lost all trust I had in you)

Em D C

This failure has made the creator

Em

So would you tell him what to do

Outro:

Em - D - A - C

Em - D -Α C

(I have lost all trust I had in you..)

-END

The acoustic part and the lyrics stop here, the rest is solo and piano.
