

## Heaven Is A Halfpipe

OPM

Capo 1

[Verse]

D G D G  
If i die before i wake,  
D G D G  
At least in heaven i can skate,  
D G D G  
Cos right now on earth i can t do Jack,  
D G D G  
Without the men upon my back.  
D G D G  
Now heaven would be a DJ spinning dub all night long,  
D G D G  
And heaven would be just kicking back with Jesus packing my bong.  
D G D G  
And if you don t believe in Jesus,then Mohammed or Buddah too.  
D G D G  
And while the world is warring, we ll just sit back and laugh at you.
