

Love Will Always Win

Opshop

G **C**
Little boy weâ€™re waiting for your life to begin
G **C**
Your here now, I canâ€™t help but wonder have you ever been
G **C**
You know we made a pact before we, before we were all born
G **C**
Weâ€™d be closer than any kid, anyone, ever before, oh whoa oh

Em **G** **C**
Ooooo, oooo, oooo
Em **G** **C**
I hear you heartbeat through your skin
Em
Oh no the worlds not perfect but with you
G **C**
Itâ€™s better than itâ€™s ever been, just know one thing that

CHORUS

D **Em** **C**
Love, love will always win
D **Em** **C**
Love, love will always win

G **C**
Though were on the right road it wonâ€™t always be as straight
G **C**
So love whatever you do fall for forever and a day
G **C**
Youâ€™ll learn that absence is to love as wind is to fire
G **C**
Extinguishes the smoke, nourishes the light, inside

Em **G** **C**
I hear you heartbeat through your skin
Em
Oh no the worlds not perfect but with you
G **C**
Itâ€™s better than itâ€™s ever been, just know one thing that

Love, love will always win
D **Em** **C**
Love, love will always win
