

Never Leave Me Again

Opshop

I love this song and wondered why it wasn't up here so I decided I would take on the job. This is my first Chords page and I transcribed by ear so it's not 100% accurate, but enjoy!

(Intro) **D** x2

(Verse 1)

D **Bm7** **G**
What would you say if I told you
 Dsus **D**
that I couldn't feel a thing,
 Bm7 **G**
What would you say if I told you
 Dsus **D**
what you didn't mean to me.

(Chorus)

Bm **G**
Would you lie through your teeth
D **A**
Talk to me sweetly
Bm **G**
Give up everything
D **A**
Till I believe
 Bm **G**
Oh I would lie to your face
D **A**
Just like some fantasy
 Bm **G** **D**
Where I... I make up everything so you'll never leave me again
Bm G D **A**
 You'll never leave me again
Bm G D **A**
 you'll never leave me

(Verse 2)

What would you say if I'm lying here
being with someone else,
What would you say if I told you
I'm more or less just trying to be myself

(Verse 3)

Would you lie through your teeth
