

No Ordinary Thing  
Opshop

No Ordinary Thing by Opshop.

Intro: **Em**, **G**, **C**, **Am**

Verse:

Em                      G                      C                      Am  
Was this to show you I would not fail you?

**Em**                      **G**                      **C**                      **Am**  
Was that the reason you were looking back?

So I'm trusting in existence I'm thrusting on momentum.

**Em**                      **G**                      **C**                      **Am**

I don t want to see these threads of love collide

1st Bridge:

C	G	A
not	ever	again

	C	G	A
No, not ever again...		nooooo	

Verse 2&3: Repeat verse 1 chords

Chorus :

Em	C	G
No my love, this is no ordinary thing		

D                      Em                      C  
My love, my love, my love

**G**

This is no ordinary thing

**D**  
No, this is no ordinary thing

2nd Bridge:

**A** **D** **A**  
We were compromised by our own hearts

**D**

**A**

Jealous seas couldn't keep us apart

**D**

**A**

I wanted to touch you but we stop when we start

**D**

I wanted to hold you, hold you

**Em**

**G**

**C**

**Am** (x2)

But here we are.....

Outro: Play chorus till end.
