Nothing To Hide
Opshop

Intro: **C**, **Am**, **Gm**

      C
Are we okay
            Am
In this tug of war?
        Gm
My head s tellin me it could be time to leave now

         C
I ve drawn a blank
           Am
Like my body and soul
    Gm
Has retreated into space - somehow

[Music] **C**, **Am**, **Gm**

         C
And we ll all do
       Am
What we ve got to do
         Gm
On this small planet I ll be sure to see you everywhere

          C
You stirred my blood
             Am
And you broke my bones
      Gm
But never once did you fail to warn me

[Chorus]
G   **F**
If there s one thing in this life I know for sure
G
It s when I m nervous
F
You gave me strength when I needed more
G   **F**
Feet give me purpose but don t take me anywhere
G   **F**
They say if you ve nothin to hide
                       C
You ve got nothin to fear
Am   **Gm**

You ve got nothin to fear

          C
It s you I choose
                    Am
Oh, it s you that fits
        Gm
And I m conscious I m well out of my depth

                        C
We could push and pull
                        Am
If that s what you wanna do
                Gm
We might be grounded but the floor is still recedin

G   **F**
If there s one thing in this life I - I know for sure
G
It s when I m nervous
F
You gave me strength when I needed more
G   **F**
Feet give me purpose but don t take me anywhere
G   **F**
They say if you ve nothin to hide
                              C
You ve got nothin to fear
            Am   **Gm**
You ve got nothin to fear

                        C
You ve got nothin to hide...
Am
Hide...
Gm
Hide...

G   **F**
If there s one thing in this life I - I know for sure
G
It s when I m nervous
F
You gave me strength when I needed more
G   **F**
Feet give me purpose but don t take me anywhere
G   **F**
They say if you ve nothin to hide

[Music] **C, Am, Gm**

                                C, Am
You ve got nothin to fear

```
                                   Gm
You ve got nothin  to fear
                              C
There s nothin  to hide

You ve got nothin  to fear
                              C
There s nothin  to hide
```
