Nothing To Hide
Opshop

Intro: **C#, Bbm, G#m**

      C#
Are we okay
           Bbm
In this tug of war?
       G#m
My head s tellin me it could be time to leave now

        C#
I ve drawn a blank
          Bbm
Like my body and soul
  G#m
Has retreated into space - somehow

[Music] **C#, Bbm, G#m**

        C#
And we ll all do
      Bbm
What we ve got to do
       G#m
On this small planet I ll be sure to see you everywhere

          C#
You stirred my blood
             Bbm
And you broke my bones
     G#m
But never once did you fail to warn me

[Chorus]
G#   **F#**
If there s one thing in this life I know for sure
G#
It s when I m nervous
F#
You gave me strength when I needed more
G#   **F#**
Feet give me purpose but don t take me anywhere
G#   **F#**
They say if you ve nothin to hide
                    C#
You ve got nothin to fear
Bbm   **G#m**

You ve got nothin to fear

          C#
It s you I choose
                    Bbm
Oh, it s you that fits
        G#m
And I m conscious I m well out of my depth

                        C#
We could push and pull
                      Bbm
If that s what you wanna do
              G#m
We might be grounded but the floor is still recedin

G#   F#
If there s one thing in this life I - I know for sure
G#
It s when I m nervous
F#
You gave me strength when I needed more
G#   F#
Feet give me purpose but don t take me anywhere
G#   F#
They say if you ve nothin to hide
                            C#
You ve got nothin to fear
            Bbm   G#m
You ve got nothin to fear

                        C#
You ve got nothin to hide...
Bbm
Hide...
G#m
Hide...

G#   F#
If there s one thing in this life I - I know for sure
G#
It s when I m nervous
F#
You gave me strength when I needed more
G#   F#
Feet give me purpose but don t take me anywhere
G#   F#
They say if you ve nothin to hide

[Music] C#, Bbm, G#m

                                C#, Bbm
You ve got nothin to fear

```
                                        G#m
You ve got nothin  to fear
                                    C#
There s nothin  to hide
```

```
                                        G#m
You ve got nothin  to fear
                                    C#
There s nothin  to hide
```
