

Strike Whilst The Iron Is Hot
Orange and Lemons

artist: orange and lemons
album: strike whilst the iron is hot
song title: strike whilst the iron is hot
by: josepB of SLU baguio city

Verse I

E
thirty days of solitude
F **D**
Is all it takes to realize my mistakes
E
The light has turned green
F
Gotta catch the plane of passion

E
Time to stop wondering
F
and redirect everything
D
Instead of counting sheeps in hope
E
for far fetch dreams
F
For it might be too late
D
seven years is quite enough
E
Strike while the iron is hot
F
before the flames die down
D
and everything s forgotten
E **F**
self promises broken
D
oh no no no

Verse II

E
One bright sunny day
F
we could be gone
D
and never get another chance

E

and the world is over

F

D

let s be a song and dance team

E

and wipe the town off our feet

F

D

hum the tune and say the words

E

F

D

soon they ll sing along
