Title: She s got that light - Orange Blue

Am **G** **F** **C**
Sometimes when she looks up it seems as if she s by herself.

Am **G** **F** **C C/B**
and Devil whispers in my ear, I tried in vain to reach her world.

Am **G** **F** **C**
There are many silent words, raising heads while the tide still sounds.

Am **G** **F** **C C/B**
And there are many weeping eyes hand in hand while the wind still pounds.

Am **E** **F** **C C/B**
But the cycle never ends, the curtain falls burying my tears.

I need her hand, cause she s my home.

Ab **Db** **Bbm**
She s got that light around her eyes.

Eb **Cm**
A gleaming star surrounds her mind.

Fm **Db**
She s got that smile imbued with soul.

Db **E**
I need your hand -

G **Dm** **Am** **G**

I know for sure I'll listen to your song. I wouldn't leave you in times of
glacial storm.

I need your hand, I need your hand cause you re my home.
