Sister Marie, Gabriel says she s a chosen one.

And if we hear the message, then the kingdom will become.

C **Am**
And sister Marie, Gabriel knows what she says is true.

F **G**
Her words are full of wisdom and you know they need no proof.

F **C**
I don t know exactly what I d do

F **C** **G**
If everything she told us would come true.

And sister Marie, Gabriel says turn away from sin.
Turn your face to Jesus, every prayer, let him in
Life is full of sorrow and you need a rest from pain.
So call yourself believers and you wont get fooled again.

I don t know exactly what I d do
If everything she told us would come true.
