WAS IT SOMETHING I SAID

[chorus]:

G **C**
Was it something I said,
G
Or something you read?
D
That s changing your mind,
G
That s turning you around?
C
Was somebody wrong,
G
Or somebody right?
D
What was it made up your mind?
G
What could change overnight?
C
And if all of your friends
G
That used to be mine
D
Come down off the fence
G
I d swear that you d find:
C
I can hate you no more
G
I can t even the score
D
Almost half of my life
C
Just fell right on the floor.

C **D**

Don t you come round here no more

C **D**

Don t you waste my time

C **D**

Don t you dare to phone me

C **D** **G**

Don t you even have me on your mind!

(SAME PATTERN)

Was there someone you know

Who won t let you go?

They re pushing you under,

And bleeding you slow.

They don t want your time,

They won t give you mine.

Their hand s in your pocket,

And your heart s on the line.

I know I m not perfect

I wanted to be

I have this big mouth

It always contradicts me.

You say you don t know,

I say anything goes.

Baby, you think it s over,

Then this you should know:

Don t you come round here no more

Don t you waste my time

Don t you dare to phone me

Don t you even have me on your mind.
