Now I m sitting at this train stop

Nobody s around here. Its just me.

**Em** **Am**  
Thoughts of you run through my head  
**D** **Em**  
The life we could have shared is left unsaid.  
**Em** **Am**  
I m still sitting at this train stop  
**D** **Em**  
Burlington s not too far from my head.

chorus:

**G**  
Life is a train  
**A**  
Filled with pleasure, filled with pain  
**C** **G**  
Hey, conductor! take me away.  
**G**  
Life is a train.  
**A**  
I think I ll take this ride again.  
**C** **G**  
Hey, conductor! take me away.

**Em** **Am**  
Summer heat has left remains  
**D** **Em**  
But today it seems to look like it will rain.  
**Em** **Am**  
I m still waiting at this train stop.  
**D** **Em**  
Three more hours till it comes again.

**D**

Seems my life has come undone  
Waiting here until it comes.
