

Sister

Orenda Fink

So I accidentally transcribed the first part and figured I d have to do the rest too since there were no other tabs or chords to this song online.
Hope it works for you as it does for me!

C Am x3

G G

C Am x3

G G

C Am C Am

Sister, oh sister

C Am G G

I remember when you were mine

C Am

We walked through the fields

C Am

Took pictures in heels

C Am G G

But those were some simpler times

F C

But then a love came along

F E5 D

The love of a man that didn't belong

C Am x3

G G

C Am C Am

Sister, oh sister

C Am G G

He tried to tear us apart

C Am

Cause together we're strong

C Am

But alone we are weak

C Am G G

And that's how he likes his hearts

F C

But now that he is gone

F E5 D C Am

We're back to laughing all night long, all night long

C Am x2

G G

C Am C Am

Sister, oh sister

C Am G G

I remember when we would shine

C (let ring)

We're no longer two against the world

But at least we are on the same side
