Im positive this is all right. Have your doubts about anything but the chorus.
Im 100%
sure that its right. If you have a 4 string im sorry but your gonna have to tune
down.
Luckily all of the song is played on the B string.

Intro Part 1
G|-----||
D|-----||
A|-----||
E|-----||
B|--4-4--|| x4

Intro Part 2
G|-----||
D|-----||
A|-----||
E|-----||
B|--4-4-4-4--|| x4

Verse Part 1 (most likely the riff youre getting these tabs for...the coolest in
the song)

G|-----||
D|-----||
A|-----||
E|-----||
B|--1-1****--1/4--0****/7--4--1/3--|| x2

^^^This slide is very quick and almost inaudible
but trust me its there.

Verse Part 2
G|-----||
D|-----||

E|-----||
B|-1-1--1-1-1--1-1-1--1-0-0--0-0-0--0-0-0--0/7-7--7-7-7--7-7-7--7-4-4-||
continues with...

G|-----||
D|-----||
A|-----||
E|-----||
B|-4-4-4--4-4-4--|| 4x (the last time the the last 2 triples of 4 s are removed)

Chorus (recognize this? thought so)

G|-----||
D|-----||
A|-----||
E|-----||
B|--1-1****--1/4--0****/7--4--1/3--||

Post Chorus/Outro

G|-----||
D|-----||
A|-----||
E|-----||
B|--4-4-4-4--|| Played 2x I think and only after the second chorus!

Interlude

G|-----||
D|-----||
A|-----||
E|-----||
B|--4-4/0-----||

All of the Tabs are here...If theres a tab missing for a part either tell me or find one of the above. I probably works as that part. Its just that the song has a very strange structure. ENJOY!!
