DO#m MI
Like a deep smell of gasoline
LA
Toxic, I want to be clean
FA#m
You stick your drugs into my veins
DO#m
Can t get enough of this damn pain
MI
I m pretty weak, but I m also strong
LA
It s only you who can dress me wrong
FA#m
Somedays your love can feel so fake
LA
Yeah, in a minute or so I break.
DO#m SI
Like an old summer hit, it s pretty good, that s it
FA#m LA
I m getting, I m getting tired of you
DO#m SI
Cause when we hit replay it is reminding me
FA#m
That I should leave you cause you re
LA DO#m SI
Bad, bad, bad, bad, oh, bad, bad.
FA#m
That I should leave you cause you re
LA DO#m SI
Bad, bad, bad, bad, oh, bad, bad.
FA#m
That I should leave you cause
LA DO#m
We got too much of us somehow
