(Lyric and music by *Oriana Sabatini*, Mason David Levy, Cameron Forbes Lewis, Thomas Gabriel Meredith)

Intro

DOm SIb MIb LAb

DOm SIb MIb LAb

DOm SIb

Take me don t leave

MIb LAb

I m standing right here now

DOm SIb MIb LAb

We ve come to far to distance cry not stand.

DOm SIb

I know we said some things we really don t mean

MIb LAb

but in the end it doesn t matter.

DOm SIb

All i know is there s a part of me missing

MIb LAb

when we re not together.

DOm SIb MIb LAb

Cause right now all i really want is your love

DOm SIb MIb LAb

And right now there s emptiness between us.

DOm SIb

I can pretend like i don t need no one

MIb LAb

But if you ask me will i stay or run

DOm SIb MIb LAb

Until right now all i really want is your love.

DOm SIb MIb LAb

Oh...

DOm SIb MIb LAb

Oh...

DOm SIb MIb LAb

Oh...

DOm SIb MIb LAb

Oh...

DOm SIb MIb LAb

Funny how i get what i want and not what i need  
 DOm                      SIb                      MIb                      LAb  
 I can t, can t stand the distance come back to me  
                          DOm                      SIb  
 I want to say some things that i really don t mean,  
 MIb    LAb  
 in the end that s all that matter.  
                          DOm                      SIb  
 All i know is there s a part of me missing  
                          MIb                      LAb  
 when we re not together.

                         DOm                      SIb                      MIb      LAb  
 Cause right now all i really want is your love  
                          DOm                      SIb                      MIb      LAb  
 And right now there s emptiness between us.  
                          DOm                      SIb  
 I can pretend like i don t need no one  
                          MIb    LAb  
 But if you ask me will i stay or run  
                          DOm                      SIb                      MIb      LAb  
 Until right now all i really want is your love.

DOm SIb      MIb      LAb  
 Oh...  
 DOm SIb      MIb      LAb  
 Oh...
