

**Adventure Time**  
**Orla Gartland**

Capo 4  
Drop D Tuning

**D**  
I m gonna take you on a flight I m not gonna take you out tonight  
**Bm**  
The last thing you need, is a night on the town  
**D**  
You ve got to, settle down, settle down, settle down  
**Bm**  
settle down, settle down, settle down

**D**  
We re gonna go to unseen lands and I m gonna take you with both hands  
**Bm**  
And tell you, it s the happiest I ve ever been  
**D** **Bm**  
It s the happiest, happiest, happiest, I ve ever seen

**G** **D**  
And the days go on  
**F#** **Bm-A-G**  
But the days are so long x2  
**G** **A** **F#**  
My calendar pages are worn and the pages are torn

**D**  
I m gonna take you to the sea a bag of chips between you and me  
**Bm**  
And we re gonna watch the waves crash at our feet  
**D**  
And you ll say; You re the weirdest person you re the weirdest person  
**Bm**  
I will ever meet

**D**  
I m gonna make you close your eyes and I m gonna take you in disguise  
**Bm**  
Take you to a place where no one knows your name  
**D** **Bm**  
No one knows, no one knows, no one knows and you ve got me to blame

**G** **D**  
And the days go on  
**F#** **Bm-A-G**  
But the days are so long x2  
**G** **A** **F#**  
My calendar pages are worn and the pages are torn

Bridge: **D** - **G** a few times

Bridge Riff: (this will only work in Drop D tuning, DADGBE>)

**G** **D**  
And the days go on  
**F#** **Bm-A-G**  
But the days are so long x2  
**G** **A** **F#**  
My calendar pages are worn and the pages are torn

**D**  
We re gonna do nothing at all and sit in the cloakroom by the hall  
**Bm**  
And not say a word, and drink cups of tea  
**D**  
But it s just you and me, you and me, you and me  
**Bm**  
We never needed words
