

Lose Yourself Mashup
Orla Gartland

Orla Gartland and Hudson Taylor

A mashup of Eminem's Lose Yourself, Bon Iver's Flume, and The Police's Walking on

the Moon. From other tabs and watching the video it should go something like:

Verse 1:

Em **D**
His palms are sweaty, knees weak, arms are heavy
Am
There's vomit on his sweater already, mom's spaghetti
Em
He's nervous, but on the surface he looks calm and ready
Am **C**
To drop bombs, but he keeps on forgetting
Em
What he wrote down, the whole crowd goes so loud
Am
He opens his mouth, but the words won't come out
Em
He's chokin' now, everybody's chokin' now
Am
The clock's run out,, times up, over, now

Em **D**
Snap back to reality, oh, there goes gravity
Am **Em** **C**
Oh, there goes Rabbit, he choked, he's so mad, but he won't
Am **D**
Give up that easy, no, he won't have it, he knows
Em **C**
His whole back's to these ropes, it don't matter, he's dope
Am **D**
He knows that, but he's broke, he's so stagnant, he knows
C
When he goes back to his mobile home, that's when it's
Em
Back to the lab again, yo
Am
This whole rhapsody better go capture this moment
C
And hope it don't pass him

Chorus:

Am **Em**

You better lose yourself in the music

D

The moment, you own it, you better never let it go

C

You only get one shot, do not miss your chance to blow

Am

Em

D

This opportunity comes once in a lifetime (2x)
