Am F C G  
 Try your worst, cause i ve heard it all  
 Am F C G  
 and just stuck on a brave face and tried to walk tall  
 Am F C G  
 and you can tell me that i ve changed when you can look me in the eye  
 Am F C G  
 i ve got tricks up my sleeveas I wave goodbye

PRECHORUS

F G  
 I like to think that I am stronger now than I was before  
 F G  
 but now I m having trouble showing you the door

CHORUS

Am F C G  
 And ohhhh  
 Am F C G  
 i m on my road

**Am F C G**  
i ve got my map in hand but I just don t know where I stand

**Am F C G**  
and now I m here picking my pieces off the ground

**Am F C G**  
we need to get the negativity slack and let the positivity back

**Am F F G**  
I need a smile that isn t fake

**Am F C G**  
but i ma need your help for goodness sake,

**Am F C G**  
your help

**Am F**  
I m sick of being a drifter,

**C G**  
being a floater, go-away-and-get-the-boat-er

**Am F C G**  
no one wants you here, why can t you see

**Am F C G**  
I was living life through someone else s eyes but now I m finally back to me

**Am F C G**

(prechorus)

(chorus)

the ground you stand on

**Am F G**  
the ground that looks you in the eye

the ground that you will just walk by
