

Quietly

Ornella De Santis

Ab **Fm**
Quietly re mind me nothing is real

Ab **Fm**
Not the sea, not the sky, not concrete or steel

C# **Cm**
Itâ€™s all just a dream, we dream wide a wake

C# **Ab**
Trying to find our way back to grace

Ab **Cm** **Fm**
Quietly re mind me it will all fade a way

Ab **Cm** **Fm**
Disa ppear like the tears, like dark at day break

C# **Cm**
Everything that we change is gone in a breath

C# Eb **Ab** **Cm**
Only love stays in the places weâ€™ve left

Fm **Cm**
And I wanna stay here for ever

C# **Eb** **Ab** **Cm**
Wide a wake, in your dreams and in your heart

Fm **Cm**
A wake, promise me you re member

C# **Eb**
So that time can never tear us apart
