

Quietly

Ornella De Santis

Bb **Gm**
Quietly re mind me nothing is real
Bb **Gm**
Not the sea, not the sky, not concrete or steel
Eb **Dm**
Itâ€™s all just a dream, we dream wide a wake
Eb **Bb**
Trying to find our way back to grace

Bb **Dm** **Gm**
Quietly re mind me it will all fade a way
Bb **Dm** **Gm**
Disa ppear like the tears, like dark at day break
Eb **Dm**
Everything that we change is gone in a breath
Eb F **Bb** **Dm**
Only love stays in the places weâ€™ve left

Gm **Dm**
And I wanna stay here for ever
Eb **F** **Bb** **Dm**
Wide a wake, in your dreams and in your heart
Gm **Dm**
A wake, promise me you re member
Eb **F**
So that time can never tear us apart
