Kinetic Osker

Osker - Kinetic Chords

Its pretty simple

The verse $\begin{array}{c|c} F\# & C\# & & B \\ \hline F & C\# & & B \\ \hline Thro the strength of your arms \\ \hline D\#m & C\# & B \\ \hline I realised that I was off the mark \widehat{a} \in |\widehat{a} \in | \, . \end{array}$

Etc

Pre chorus

C#D#mBCâ€|.And now I look at my hands, they don't move the same two years ago

Chorus B D#m C# Im alone but im not lonely I need kinetic energyâ€|â€|.

Etc

Im sure u can guess the rest of the song from that
