

Tamer Animals
Other Lives

This should be somewhat correct

Em **D** **Bm** **C**
Solitary motion, in the wake of an avalanche
Deer in the headlights, there goes a weaker one
He s listenin in the fast gaze, I don t care now to see the way
Do you hear the silence? I was far too late

Em **D Em** **Bm** **C**
Oh living for the city, and it s always troubling
to keep it in the hot lane, I don t care about no scenery

D **Bm** **C**
D **C**
and you run from it then, now you can t escape, cause it s all you see

D **Bm** **C** **D**
C D Em Bm C
But we re all just an end to a simple thing, and it s all you see, and it s all
you see

Em D **Bm** **C**
We re just tamer animals

Em D **Bm** **C**
We re just tamer animals

Solitary motion, in the wake of an avalanche
We took a hit then, trying to see if you hold it in
and you run from it then, now you can t escape, cause it s all you see
But we re all just an end to a simple thing, and it s all you see, and it s all
you see

We re just tamer animals
We re just tamer animals
We re just tamer animals
