

For Your Precious Love
Otis Redding

(C)

C **Am** **F**
For your precious love means more to me
G **C**
Than any love could ever be
C **Am** **F**
For when I wanted you I was so lonely and so blue
G **C**
For that s what love will do

Darling, I m so surprised,
Oh, when I first realized
That you were fooling me
Darling, they say that our love won t grow

I just want to tell them that they don t know
For as long as you, long as you are loving me
Our love will grow wider, deeper than any sea

D **Bm** **G**
And all the things in the world, in this whole wide world
A **C**
Is just that you would say that you d be my girl

(Wanting you) Wanting you,
(I m lonely and blue) Whoa, lonely
That s what love will do

For your precious love means more to me
Than any love could ever be
For when I, I wanted you I was so lonely and so blue
That s what love will do
