Security
Otis Redding

...SECURITY... by Otis Redding
-------------...............

from Pain in My Heart (1964)

Intro:

C Am

Verse 1:

```
          C
I want se-curity, yeah,
                              Am
Without it, I m at a great loss, oh now.
   C                                Am
Se-curity, yeah and I want it at any cost, oh now.
```

Chorus 1:

```
G7                 F
 Don t want no money, right muh now, muh now, muh now,
G7                   F
 I don t want no fame,
                      C
But security I have all of these things.
             Am
All of these things, yeah, now.
```

Verse 2:

```
   C                                        Am
Se-curity, yeah, that s all I want from you, oh now,
   C                                          Am
Se-curity, yeah and a little love that will be true, oh.
```

Chorus 2:

```
G7                     F
 Those sweet tender lips, you know they tells me that;
G7                     F                  C
 You re the one for me; darling, how can I forget?
                 Am
How can I for-get? Yeah, now.
```

Interlude:

```
C  Am (x2)

Verse 3:

        C                                              Am
I want se-curity, yeah; I m telling you once a-gain, oh now.
   C                                        Am
Se-curity, yeah and I want it in the end, oh.

Chorus 3:

G7                      F
 Those sweet tender lips, you know they tells me that;
G7                      F                 C
 You re the one for me; darling, how can I forget?
              Am
How can I for-get? Yeah, now.

Coda:

                                 C
Alone with just a little bit of soul, right now, now, baby,
                                  Am
Darling, everything is gonna be alright,
         C                                   Am
One more time, just one more time, baby...

(Fade)
