

That's How Strong My Love Is
Otis Redding

(F# B)

B **F#7**
If I was the sun, way up there,
E **B**
I d go with love, most everywhere.
B **F#7**
I ll be the moon, when the sun goes down,
E **B**
Just to let you know, that I m still around.

B **F#7**
That s how strong my love is,
E **B**
Oh, that s how strong my love is.
B **F#7**
That s how strong my love is, baby, baby,
E **B**
That s how strong my love is.

B **F#7**
I ll be the weeping willow, drowning in my tears,
E **B**
You can go swimming, when you re here.
B **F#7**
I ll be the rainbow, when the sun is gone,
E **B**
Wrap you in my colours and keep you warm.

B **F#7**
That s how strong my love is, darling,
E **B**
That s how strong my love is, baby.
B **F#7**
That s how strong my love is, ooh,
E **B**
That s how strong my love is.

G#m **E**
I ll be the ocean, so deep and wide,
G#m **E**
I ll get out the tears, when-ever you cry.
G#m **E**
I ll be the breeze, after the storm is gone,
F#
To dry your eyes and love you warm.

B **F#7**
That s how strong my love is, baby,
E **B**
That s how strong my love is.
B **F#7**
That s how strong my love is, darling,
E **B**
That s how strong my love is.

B **F#7**
That s how strong my love is, so deep in,
E **B**
Well, that s how strong my love is.
B **F#7**
So much love, yes, so much love, ooh,
E **B**
Yes, so much love, yes, so much love.
B **F#7**
Anything that I can do, I ll be good for you,
E **B**
Any kind of love you want, I ll be with you...
