Intro Chords: **C G F G**

C

Well it s important I m reminded
sitting home alone in silence

G

then you came to make things better
started with this stormy weather

F

but I don t find myself deserving
and when I do its so unnerving
think I ll wait just as expected

G

wait for you to clear this mess up

C

The silence helps
instead of talking

G

the quiet walls are more help

F

G

than a friend could be cause they can t see the things I see

C

Things have got a chance to get much better

G

all I ve got to do is go forget her

F

throw away all of my thoughts inside me

G

but after all what kind of life would that be

C

Things have got a chance to get much better

G

all I ve got to do is go forget her

F

throw away all of my thoughts inside me

G

but after all what kind of life would that be

C

Another day of people calling

another day of me ignoring

G

I just can t stand the pointless calls

they drive me up and down the walls

F

I m searching for the strength to eat

I d rather drink fall off my seat

now there s a feeling hard to beat

G

I told you that my life s complete

C

Now here s a picture I always see

I see her hand in hand with me

G

and guess who s in there when I dream

of course it s always me and

F

there comes a point in someones life

when it s the time to take a dive

image stands, forever shines

G

I m glad to say that she is mine

C

Things have got a chance to get much better

G

all I ve got to do is go forget her

F

throw away all of my thoughts inside me

G

but after all what kind of life would that be

C

Things have got a chance to get much better

G

all I ve got to do is go forget her

F

throw away all of my thoughts inside me

G

but after all what kind of life would that be

C

Things have got a chance to get much better

G

all I ve got to do is go forget her

F

throw away all of my thoughts inside me

G

but after all what kind of life would that be
