

Dreamland

Our Lady Peace

I got this song by just listening..so maybe isn t alright...
but I supose it s ok...
Play it by strumming..

Tunning Standard

Chords:

E[022100]

B[024400]

A5[002200]

C#4[046600]

F#m[044200]

Intro

```

E|-----|
```

Verse

E

A mother sets the dinner table

B **A5** **B**

Son crashes to the pavement, yeah

E

A father working just to make ends

B **A5** **B**

We spend our lives to try and make sense of it

Pre-chorus

F#m

But I, I feel the love, I feel the power

A5

It comes to me in the darkest hour

B

And I, I wanna feel it again

Chorus:

A5 **E** **B**

In this dreamland the kids are alright

C#4

And the sky is blue

A5 **E** **B**

We all got wings and know how to fly

C#4

I made it to the moon

F#m

A5

The sun on my face, my head in the clouds

B

Time on my side, my feet off the ground

E B

I m not coming down,

A5 B

not coming down

Verse 2

The summer ends, the ocean dries up

A stranger dies and no one gives a fuck (The same as at the first)

I take a look over my shoulder

All my friends have gotten older, oh yeah, oh yeah

Pre-Chorus

Chorus

Bridge:

A5 B C#4

Change just to change,

break just to break

Blame just to blame

F#m

A5

My head in the clouds, feet off the ground

B

I m not coming down

Chorus

A5 E B C#4

I m not coming down,

I m not coming down

I m not coming down,

I m not coming down

And ends on B :D

that s all

I hope it can be useful for you :D

seeya! ;)
