Love And Trust
Our Lady Peace

I know OLP usually plays a half step down, but this is the standard tuning
version. If you want to do it with their tuning you could always just shift
everything a half step up, I guess.

Intro:

G#m   B   A   E   x2

Verse 1:

G#m   B
Mother, will you think of me in your prayers?
A   E
This 21st century is a mess
G#m
Oh you can try and fix it
       B
But it breaks
A
Oh you can try and love it
        E
But it hates
      F#
Oh it hates

Chorus:

           G#m
This is for everything we had
        B
It s the good and it s the bad
         F#
It s the state of love and trust
                 C#m
And this is for you
                 E
And this is for us

Verse 2:

G#m   B
And father, will you comfort me if I call?
A
This crazy world has lost it s mind
         E

```
It s our fault
G#m
Oh you can try and straighten it
    B
It turns, it turns, it turns
A
Oh you can try and smother it
        E
But it burns
      F#
Oh it burns

Chorus:

          G#m
This is for everything we had
        B
It s the good and it s the bad
        F#
It s the state of love and trust
                C#m
And this is for you
                E
And this is for us

Post-Chorus:
          B
Oh will you break my fall
        G#m
Oh when I climb too high?
        E
I always lose my nerve
          F#
It happens every time
            B
Oh will you bring me home
            G#m
Oh when I m barely alive
        F#
It s the state of love and trust
                C#m
And this is for you
                E
And this is for us

Solo/interlude:

F#       Ebm   E
F#       Ebm   E

Chorus:
```

```
(softly)
            G#m
This is for everything we had
        B
It s the good and it s the bad
        A
It s the state of love and trust
                C#m
And this is for you
                E
And this is for us

Post-Chorus:

            B
Oh will you break my fall
        G#m
Oh when I climb too high?
        E
I always lose my nerve
            F#
It happens every time
            B
Oh will you bring me home
            G#m
Oh when I m barely alive
        F#
It s the state of love and trust
                C#m
And this is for you
                E
And this is for us
                C#m
And this is for you
                E
And this is for us
            C#m
This is for you
            E
This is for us
            B(let it ring)
This is for us
```
