

Paper Moon
Our Lady Peace

intro: **G D Am G D**

G
there Comes a time when you get turned around, and
D
Life itself just wears you out,
Am **G D**
but You keep getting ready for the big parade
G
Ah you shine your shoes and you fake a smile
D
Salute the players with that famous style
Am **G D**
Cause, keepin up has kept you in chains

C **Bm**
I was thinking that if you know a way then I d
D
like to go with you
C **Bm** **D**
And we can put all our candles under that paper moon
Am **Em**
They just don t know anything at all
F **C**
They just don t know anything at all

interlude/bass solo: **C Bm D**

G
You ll fight traffic jams and big TVs, and
D
Hips just trapped in their own irony,
Am **G D**
but You ll finally think about settling down
G
Oh you quit your job and you sell your car
D
You ll burn your clothes and pray to the stars,
Am **G D**
cause You swore to God that you d never end up this way

C **Bm**

I was thinking that if you know a way then I d

D

like to go with you

C

Bm

D

And we can put all our candles under that paper moon

Am

Em

They just don t know anything at all

F

C

They just don t know anything at all

C

At all

Em

At all

F

At all

C

At all

guitar solo: **C Bm D**

G

there Comes a time when you get turned around, and

D

Life itself just wears you out,

Am

G

D

but You keep getting ready for the big parade

all the D s may be dsus s, not sure, so toy with it and see what sounds best to you, enjoy
