

Dark Storms

Our Last Night

Am C F G (x2)Am Can t take back the cards you dealt on this long and lonely road
to hell C F G The throne must be such a sad and lonely
placeAm CLiving breathing flesh and blood, sweat and tears
swept under the rug F GI m just a number to you, just ones and
twos Am C F The power keeps you feeling high but how low
Am Do you sink into your bed at night C G (Anchored down with
guilt) Am C F Do you toss and turn from all the
bridges you ve burned Am C G Or are you proud of all, the
hatred you ve earnedAm C F G Am CA conscience buried deep
beneath, a heart stuck in a skeleton of greed F G
Am And eyes that can t see that happiness is so far out of reach
Am C F The power keeps you feeling high but how low Am Do
you sink into your bed at night C G (Anchored down with guilt) Am
C F Do you toss and turn from all the bridges you ve
burned Am C G Or are you proud of all, the hatred you ve
earnedAm F G Am (x2)Am You can only get so far F G Am With no one by your
sideAm A dark storm lies aheadF G Am Lies aheadAm Can t take back the cards you
dealt on this long and lonely road to hell C F G The throne
must be such a sad and lonely place Am C F The power keeps
you feeling high but how low Am Do you sink into your bed at night
C G (Anchored down with guilt) Am C F Do you
toss and turn from all the bridges you ve burned Am C G Or are
you proud of all, the hatred you ve earnedAm C F G Am
