

Same Old War
Our Last Night

[Verse]

Dm **F** **Bb**
I ve been fighting the same old war, against a disease, without a cure!
Dm **F** **Bb**
Been holding on for so long! For so long. For so long!
Dm **F** **Bb**
I ve been wishing upon a star, if my universe falls apart!
Dm **F** **Bb**
I feel so far from the sky, as my dreams, are going by!
Gm **C** **F**
and They say, it s a battle that can t be won!
Bb **C**
We need our knives, we need our guns!

[Chorus]

Dm **F** **Bb**
Should I run away, and change my name?
Dm **F** **Bb**
or Should I, stay and fight through the night,
and never close my eyes?
Dm **F** **Bb**
I ll never close my eyes!

[Verse]

Dm **F** **Bb**
I ve come too far, to go back now, turn into a face in the crowd!
Dm **F** **Bb**
Been on this road, for so long! For so long... For so long!
Dm **F** **Bb**
Convinced there is no way out, my world is turned upside down!
Dm **F** **Bb**
My sense of direction s been gone, for so long! For so long...
Gm **C** **F**
and They say, it s a battle that can t be won!
Bb **C**
We need our knives, we need our guns!
