If Flowers Turn
Ours

OURS _ IF FLOWERS TURN

Intro
Em.D.C.Em x2

doo doo doodoodoo...

(V1)
Em...........D
Flowers for a girl
.........C.............Em
Who was placed in the dark
Em..............D
Flowers from a world
.........C........Em
that had taken her heart
C..............D
They looked so pretty
C...................D
But the blood stained them
...........Em......D
C..............Em
If flowers, turn, throw them away throw them away
Em.......D.............C
...........Em
Flowers, turn, throw them away throw them away

(Keep up chord progression)
Doo doo doodoodoo....

(v2)
Em..............D
Pull the braids untie
.........C.............Em
All the pain from your hair
Em...................D
Don t let the buzzards try
.............C...............Em
Or they ll take whats been there
C..........D.....C
Signs appear
...................D
And the worst you fear
...........Em.....D C..............Em
If flowers, turn, throw them away, throw them away
..Em.......D C..............Em
Flowers, turn, throw them away, throw them away

(Bridge)
C..**G**
Don t look to the dark all of the pain that you want is here

C..**D**
OOH! Uncover your your heart so the feeling can disappear
.......**Am**
The worst winds are calling they need you they want you
D...**Em**..**D**......**C**....**Em**
I m in the dark, and I can t see a thing for miles ooooh ooooh

(Play Chord progression once)
Em......**D**................**C** .**Em**
Flower girls, throw them away, throw them away

Em.....**D**.................**C**................**Em**
Flower girls, throw them away, throw them away
Em.......**D**.............**C**...........**Em**
I know, I ve seen the pain in your heart
Em......**D**..........**C**.....**G**
because I died for us
