Hey Walk Away Out of Sight

\_\_\_\_\_

Hey! (Walk Away) - Out Of Sight

------

Tabbed by: cannibal\_freak1

Email: ditto\_ditto\_3@hotmail.com

Tuning: Half a step down

http://www.myspace.com/outofsight

This is correct, i m just putting the chords as I play them, and not as power chords.

Intro: Em, D, C

Em7

so this is where it all begins

Cadd9

you see my patience wearing thin

Em7 I

i know that your enjoying this somehow

Cadd9

i never understood how you could be so proud

Em7

well this is where

D

we got it wrong

Cadd9

but step by step

we re moving on again

Em7

D

and for such a careless mess

Cadd9

i wish i cared a little less about you now

D

cos i m stressed out

a nervous wreck about

Cadd9

your hands around my neck

F:m 7

now that ive learned who to love

D

and who to live without

Cadd9 G Cadd9 D Em7 Hey, walk away step back and save this fight for another day It doesn t have to end this way Em7 Don t try and start, if we both just play this smart we ll walk away Well that s what a friend would say Em7 now you re right under my skin Cadd9 soon these fists will start to swing Em7 you got until the count 1, 2, 3 Cadd9 until this anger gets the best of me Em7 and then we ll stumble out the door Cadd9 i don t remember just what for Em7 but if you push me ill react Cadd9 unless my conscience holds me back D cos i m stressed out a nervous wreck about Cadd9 your hands around my neck Em7 now that ive learned who to love D and who to live without Cadd9 G D Em7 Cadd9 Hey, walk away step back and save this fight for another day It doesn t have to end this way Em7 Don t try and start, if we both just play this smart we ll walk away Well that s what a friend would say

C D

```
Well that s what a friend would say
Well that s what a friend would say
                                         Em7
Look into my eyes, and see that its too intense to hide
The stress but it all seems pointless
Cadd9
       G
                                      Em7
                                                        Cadd9
Hey, walk away step back and save this fight for another day
It doesn t have to end this way
                                             Em7
Cadd9
                                                               Cadd9
Don t try and start, if we both just play this smart we ll walk away
Well that s what a friend would say
/ slide up
 \ slide down
h hammer-on
p pull-off
~ vibrato
+ harmonic
| x Mute note
```
