I m callin U
When all my keys
And all my bizz
Runs all so smooth
I m thankin U
See the halves in my life
My patience, my wife
With all that I know
Oh, take no more than I deserve
Still need to learn more

Oh, no, no
I don t need nobody
& I don t fear nobody
I don t call nobody but U
My One & Only

I don t need nobody
& I don t fear nobody
I don t call nobody but U
U all I need in my life

Our relationship, so complex
Found U while I was headed straight for hell in quest
You have no one to compare to
Cause when I lie to myself it isn t hidden from U
I guess I m thankful
Word on the street is U changed me
It shows in my behaviour
Past present future
Lay it all out
Found my call in your house
And let the whole world know what this love is about

Yo te quiero, te extraÃ±o, te olvido

Aunque nunca me has faltado, siempre estas conmigo
Por las veces que he fallado y las heridas tan profundas
Mejor tarde que nunca para pedirte mil disculpas
Estoy gritando callado yo te llamo, te escucho, lo intento
De ti yo me alimento
Cuando el aire que respiro es violento y turbulento
Yo te olvido, te llamo, te siento

[Translation:]

I love you, I miss you, I forget you
Even though you never let me down and always are by my side
For all the times I ve failed and hurt you deeply
Better later than never to give you a 1000 apologies
I m shouting silently, callin you, I m listening to you, I m tryin
You nourish me
When the air that I breathe is violent and turbulent
I m forgettin you, I m callin you, I m feelin you

Oh, no, no
I don t need nobody
& I don t fear nobody
I don t call nobody but U
My One & Only

I don t need nobody
& I don t fear nobody
I don t call nobody but U...
