Ive Had This Dream Before Outline In Color

[Verse 1]

В C#m And I can still see you walking through the snow in my direction

And all of the warmth that came rushing back

C#m

And all of the dried up lakes in my heart became an ocean

ΕВ cause you were the flood at long last

[Chorus]

В C#m A ΕВ Α E

And I wanna know what it feels like to look into your eyes tonight

C#m В Α E B

And I wanna know what it feels like to love someone without looking back

[Verse 2]

В

I m chasing that feeling that I felt at Christmas time

When the world stood still under your sheets, I couldn t move if I tried

And I never knew I could be so scared of something so divine..
