

Shifts

Over The Wall

Lyrics may not
be 100% accurate.

(Gav put them
up on YouTube)

Barre your chords.

(e)2 *

(b)2

(g)3

(d)4

(a)2

(e)2

This is some
sort of F# chord.
I ve marked where to play
them with asterisks.

[B]

We onlyyyyy have tonight...

[B]

Sing along With all that s gone wrong

[G#m]

because your knives are getting sharp and your lungs are getting

[B]

black.

[G#m]

And there ll be no going back by the time you get that

[B]

far.

[B]

I ll be gone while you re still young,

[G#m]

before your hands go dry and numb from all the work they ve never

[B]

done...

[G#m]

Before you re tired of coming home and finding all your kids in

[B]

love.

[F#] [G#m]
So tell your man to watch your coat.

[B] [F#] *
He ll be on his fucking own this time.

[F#] [G#m]
Me and you are sticking close

[B] [F#] *
And you won t be going home tonight.

[F#] [G#m]
So go ahead turn off the light.

[B]...[F#] *
You said you want to change your life

[F#] [G#m] [B]...[B]
And we only have tonight

[F#] [G#m]
So every time you see his ghost,

[B] [F#] *
you ll be thinking of your own short time.

[F#] [G#m]
How it s all been going slow.

[B] [F#] *
And how you never should have drove that night.

[F#] [G#m]
This is not a shift in time,

[B]...[F#] *
this is a shift in what is right.

[F#] [G#m] [B]...[B]
And we only have tonight.

[F#] [G#m]
So tell your man to watch your coat.

[B] [F#] *
He ll be on his fucking own this time.

[F#] [G#m]
Me and you are sticking close

[B] [F#] *
and you won't be going home tonight.

[B]
Tonight.
