```
      Am          G          F          Am G
I spend most days in this bed that I abuse
      F          Am G F Am G F
On these pillows that you can't get used to
      Am G          F          Am
I spend entire days putting off that which can't wait

Until I'm knee deep in my own waste
