

Cave In
Owl City

Not mine. I was surprised that this site didn't have it.

Intro: **F C G** (2X)

F

Please take a long hard look

C

Through your text book cause I'm history

F

When I strap my helmet on I'll be long gone

C

G

Cause I've been dying to leave

F

Yeah, I'll ride the range

C

And hide all my loose change in my bedroom

F

Cause riding a dirt bike down a turn pike

C

G

F

Always takes its toll on me

F Am G Dm

F

I've had just about enough

A#

Of cloaked diamonds in the rough

G

Because my back-bone is paper thin

D#

Get me out of this cavern or I'll cave in

(I'll cave in, I'll cave in...)

Am

G

Dm

If the bombs go off the sun will still be shining

(The sun will still be shining)

F

Am

Because I've heard it said that

G

F

Every mushroom cloud has a silver lining

G

(Though I'm always under mining too deep to know)

F

Swallow a drop of gravel and blacktop

C

Cause the road tastes like Wintergreen

F

The wind and rain smell of oil and octane

C

G

Mixed with stale gasoline

F

I ll soak up the sound

Try to sleep on the wet ground

C

G

I ll get ten minutes give or take

F

Cause I just don t foresee myself getting drowsy

C

G

When cold integrity keeps me wide awake

(C-**Am-G**-C)

(Awake, awake, awake, awake...)

Get me out of this cavern or I ll cave in

(Cave in, cave in, cave in, cave in...)

Get me out of this cavern or I ll cave in

(Cave in, cave in, cave in, cave in...)

F C F-Dm-G (2X)

I ll keep my helmet on

Just in case my head caves in

(In case my head caves in)

Cause if my thoughts collapse

Or my brain work snaps

It ll make a mess like you wouldn t believe

Tie my handle bars to the stars

So I stay on track (so I stay on track)

And if my intentions trail I ll wrench them away

Then I ll take my leave and I won t even look back

(C-**Dm-F**-G)

I won t even look back

Any correction would be appreciated
