

**Dreams And Disasters**  
**Owl City**

Original Key F#  
Capo 4 ( D )

Intro: **A G D** x2

**A G A G D**  
We were alone on the road driving faster  
**A G A G D**  
So far from home we were chasing disaster  
**A G A G D**  
Hard on the gas till the car caught on fire  
**A G A G D**  
We had to laugh as the smoked billowed higher

**A G D**  
I wanna feel alive forever after  
**G D A G D**  
And you say, you say you wanna feel alive forever after  
**D**  
And I, and I, and I say

**A G A G D**  
Follow the light through the dreams and disasters  
**A G A G D**  
Follow the light to the edge and the after  
**A D A D**  
We won t turn around, we will not slow down  
**A G A G D**  
Follow the light through the dreams and disasters!

**A G A G D**  
Think of the sun, and the sound of it rising  
**A G A G D**  
Still on the run with our eyes on the horizon

**A G D**  
I wanna feel alive forever after  
**G D A G D**  
And you say, you say you wanna feel alive forever after  
**D**  
And I, and I, and I say

**A G A G D**  
Follow the light through the dreams and disasters  
**A G A G D**  
Follow the light to the edge and the after  
**A D A D**  
We won t turn around, we will not slow down

**A**            **G**                            **A**            **G**    **D**  
Follow the light through the dreams and disasters!

**A**    **G**            **D**  
          I just wanna feel alive

**A**    **G**            **D**  
          I just wanna feel alive

**A**    **G**            **D**  
          I just wanna feel alive

**A**    **G**            **D**  
          I just wanna feel alive

**A**            **G**                            **A**            **G**    **D**  
Follow the light through the dreams and disasters

**A**            **G**                            **A**            **G**    **D**  
Follow the light to the edge and the after

**A**            **D**                            **A**            **D**  
We won't turn around, we will not slow down

**A**            **G**                            **A**            **G**    **D**  
Follow the light through the dreams and disasters!
